LUXURY. INTIMATE. *YOURS.*

“Just wanted to say the biggest thank you to you and the team for helping us celebrate the best day of our lives! Your attention to detail, organisation and support throughout the whole process is so greatly appreciated, and we cannot express our gratitude enough. Our guests were blown away by the venue, the food service and pretty much everything that we did throughout the day, and it would not have been remotely achievable without you.

Thanks to you for your patience and guidance throughout the process of planning and for making our dream day become a reality.

Lanelay Hall holds such a special place in our hearts now, and we look forward to celebrating many occasions with you all in the future – I just wish we could do the wedding all over again.”

THE KITCHEN

We understand how important good food is to an amazing wedding. Our chefs source local high quality produce to create all of our wedding banqueting menus.

In addition to a traditional wedding breakfast we also offer a delicious selection of additional add-ons. If you have something different in mind, talk to a member of our wedding team about what we can do for you.

After your ceremony, as your guests are exploring the manor and grounds, they can savour a selection of canapes and welcome drinks before sitting down to a beautifully prepared three course meal. Afterwards, celebrate long into the evening complimented by high quality dining for you and your party guests to enjoy.

Before the big day, you will be invited in for a private tasting, where you can sample your chosen menu in our restaurant to ensure that everything is perfect.

Food is the heart of every great event, paired with exceptional presentation, and delivered table to table by our friendly and professional events team.

THE BEDROOMS

As the night draws to a close after a long day celebrating, retreat back to one of our boutique bedrooms and sink into a plush bed where you can rest in ultimate comfort and bliss. Each bedroom has been carefully designed with its own individual style and identity and retain their own unique charm.

All of our rooms are luxurious and modern, guests can choose from one of our classic rooms, or upgrade to one of our deluxe suites. All suites, including our bridal suite are complete with a free standing bathtub.

Wake up the next morning to a beautiful breakfast, prepared fresh by our specialist chef and sit in the Rudstone Read room and catch up with your guests. The perfect end to a perfect day.

Extravagant and elegant; every inch of our hotel is brimming with opulence and luxury.
